

# Product Catalogue

## 2018

**Global Fruit is a polish exporter of fresh/frozen fruit and vegetables. Our name is well known around domestic and foreign customers due to our extensive experience in the grocery market, technical equipment we use, and high quality and taste of fruits and vegetables we offer.**

**Our suppliers are mostly farmers and producer groups, who guarantee the highest quality of their products according to EU norms and certifications. By having exclusive access to modern cold storage facilities, Global Fruit is able to offer its products throughout the year and guarantees the highest level of quality.**

Availability: **June - August**

Name: **Blueberry**

Product code: **62**

Availability: **July - September**

Name: **Cherry**

Product code: **64**

Availability: **July - August**

Name: **Chokeberry**

Product code: **65**

Availability: **July - August**

Name: **Gooseberry**

Product code: **53**

Availability: **July - September**

Name: **Pear - Conference**

Product code: **35**

Availability: **August - December**

Name: **Pear - Lucas**

Product code: **36**

Availability: **August - December**

Name: **Raspberry**

Product code: **57**

Availability: **June - September**

Name: **Redcurrant**

Product code: **58**

Availability: **June - August**

Name: **Strawberry**

Product code: **54**

Availability: **May - July**

# Fresh Vegetables

Name: **Beetroot Diced**

Product code: **45**

Availability: **July - March**

Name: **Broccoli**

Product code: **44**

Availability: **June - November**

Name: **Brussels sprout**

Product code: **60**

Availability: **September - November**

Name: **Cabbage (red)**

Product code: **49**

Availability: **July - March**

Name: **Cabbage (white)**

Product code: **48**

Availability: **July - March**

Name: **Carrot**

Product code: **50**

Availability: **Available all year**

Name: **Cauliflower**

Product code: **55**

Availability: **June - November**

Name: **Chinese cabbage**

Product code: **61**

Availability: **June - March**

Name: **Common mushroom**

Product code: **68**

Availability: **July - April**

Name: **Cucumber**

Product code: **67**

Availability: **July - October**

Name: **Eggplant**

Product code: **59**

Availability: **June - September**

Name: **Leaf cabbage (kale)**

Product code: **47**

Availability: **September - March**

Name: **Lettuce**

Product code: **51**

Availability: **March - September**

Name: **Onion**

Product code: **46**

Availability: **Available all year**

Name: **Pepper**

Product code: **66**

Availability: **July - October**

Name: **Rhubarb**

Product code: **56**

Availability: **May - August**

Name: **Tomato**

Product code: **52**

Availability: **July - October**

# Frozen (IQF) Fruit

Name: **Saskatoon berry**

Product code: **37**

Availability: **Available all year**

Name: **Apple (diced 10x10)**

Product code: **29**

Availability: **Available all year**

Name: **Blackberry**

Product code: **25**

Availability: **Available all year**

Name: **Blueberry**

Product code: **16**

Availability: **Available all year**

Name: **Cherry (no seed)**

Product code: **22**

Availability: **Available all year**

Name: **Chokeberry**

Product code: **32**

Availability: **Available all year**

Name: **Elderberry**

Product code: **31**

Availability: **Available all year**

Name: **Fruit Mix**

Product code: **34**

Availability: **Available all year**

Name: **Gooseberry**

Product code: **33**

Availability: **Available all year**

Name: **Haskap berry**

Product code: **38**

Availability: **Available all year**

Name: **Mix berry**

Product code: **20**

Availability: **Available all year**

Name: **Pear**

Product code: **21**

Availability: **Available all year**

Name: **Plum (cut in half)**

Product code: **30**

Availability: **Available all year**

Name: **Raspberry**

Product code: **17**

Availability: **Available all year**

Name: **Raspberry (extra)**

Product code: **24**

Availability: **Available all year**

Name: **Raspberry (grits)**

Product code: **23**

Availability: **Available all year**

Name: **Redcurrant**

Product code: **26**

Availability: **Available all year**

Name: **Rhubarb**

Product code: **18**

Availability: **Available all year**
